NOAH - Baby Blanket

Bias linen stitch receiving blanket with delicate border

Wrap your precious babe in the luxury of alpaca when you make the Noah Baby Blanket. Simply soothing crochet linen stitch is worked on the bias and striped in two colors to accompany baby in Dreamland. The little ridges border makes for the perfect frame, adding a sweet touch to a blankie that will be used for generations. Lofty super bulky weight yarn means you'll finish this fun project in record time – maybe to start a second one!

The Noah Baby Blanket pattern is part of the Happy Place pattern collection, designed to complement Happy Place Apricity Yarn. Find even more patterns and get the yarn needed for this project from Hobbii's website.
