## PATTERN INFORMATION

The reversible toy Elephant and Mouse is crocheted in one piece. When you have finished crocheting the toy and sewn the pieces on, you can tuck one animal inside the other.

The pattern is beginner-friendly and is easy and quick to make.

You decide whether you prefer to add safety eyes or embroider the eyes with a small piece of scrap cotton yarn.

If you decide to add safety eyes, make sure you use ones that are large enough to fit properly without falling out of the holes. I recommend a minimum of 9 mm, but this depends on your gauge.

I recommend embroidering the eyes if the toy is to be used by children under 3 years old.

Sew the different pieces on to the toy in the way you think looks best. I did as follows:

Press the ears flat and sew together at the bottom, sew them on to the head between rnds 4 and 5.

Sew the trunk on between rnds 7 and 8.

Embroider eyes or attach safety eyes.

### MOUSE

Sew the ears on between rnds 23 and 24.

Sew the snout on between rnds 18 and 20.

Embroider eyes or attach safety eyes.
