PATTERN INFORMATION

Max the Mammoth is a cute and soft cuddly friend

Legs and arms are crocheted directly onto the body to minimize assembly work afterwards. To make Max's fur you will have to make a lot of loop stitches.

I recommend embroidering the eyes if the toy is to be used by children under 3 years old.

Pattern instructions

INFO AND TIPS

Begin with the arms and legs and then the body. The arms and legs are crocheted directly onto the body, so you don't have to sew them on afterwards. When crocheting on the pieces, crochet through the round on the piece and the body. The loop stitches you are going to make when finishing the body must be tightened firmly.

Loop stitch

1. Make a loop: Pull the yarn up to the desired length to form at loop.
2. Keep the loop in place: Use your fingers to hold the loop so it doesn't slip back.
3. Single crochet: Insert the hook into the same stitch where the loop comes from, yarn over, and pull through the loop. Yarn over again and pull through both loops on the hook.
4. Repeat: Continue by making a new loop and then a single crochet in each stitch or following the pattern. Watch a video here:

Assembly

Lightly fold the ears in half and sew together with a few stitches at the bottom. Then sew them onto the head between rnds 6 and 7.

Sew the tusks on under the trunk on either side.

Attach the safety eyes in the head between rnds 7 and 8.

Embroider details around the eyes with white yarn.

Sew the head onto the body, remember to stuff before finishing completely.
Sew the tail on between rnds 6 and 7 on the body.

Enjoy!
