INFO AND TIPS

- Read the pattern before starting to crochet.
- Crochet in continuous, spiral rounds unless otherwise stated in the pattern.
- Always mark the beginning of each round using a stitch marker.
- Pattern is written for intermediate skill level and doesn't contain tutorials for stitches except for the special stitches.
- Try to keep a rather loose fit. If your stitches are too tight switch your hook to a larger one.

Bobble Stitch: Yarn over, insert the hook into the indicated stitch, yarn over and pull through. Yarn over, pull through the first 2 loops on the hook. Repeat this process 3 more times until you have 5 loops on your hook. Pull through all 5 loops.

Bobble stitch puffs on the WS of your work and you see the back of all stitches while working so after you'll finish your work, turn it WS out so all bobbles will be visible. Then continue your work as follows.

Braided tails (optional)

Cut three approx. 20 cm / 7.75" long pieces of yarn in main colour. Pass through last space in earflap. You should now have 6 strands to braid with.

Make a knot and braid approx. 3 - 4 cm / 1.25 - 1.5". make a knot, trim ends.
