INFO AND TIPS

This is an intermediate pattern with some photos to help you through.

Always make sure to count your rows and stitches to avoid any mistakes or size difference.

Slip stitches do not count as stitches.

Ch 1 does not count as a stitch, unless stated otherwise.

Ch 3 always counts as double crochet.

Ch 4 always counts as treble crochet.

When working on the corners, **always remember** that there might be a hidden stitch hiding under the other stitches of the corner, which is the first stitch of the next side.

This pattern uses a special puff stitch technique which is fully explained in the "special stitches" section below.

C1 = Color 4

C2 = Color 02 - Solid

SPECIAL STITCHES

Back post double crochet (*bpd*):

Yarn over, insert your hook from back to front around the post of indicated stitch, from right to left, yarn over and finish your double crochet as usual.

Extended back post double crochet (*extbpd*):

Yarn over, insert your hook from back to front around the post of given stitch, from right to left, yarn over, pull through, yarn over, pull through 1 loop, yarn over, pull through 2 loops, yarn over, pull through 2 loops.

Extended front post double crochet (*extfpdc*):

Yarn over, insert your hook from front to back around the post of given stitch, from right to left, yarn over, pull through, yarn over, pull through 1 loop, yarn over, pull through 2 loops, yarn over, pull through 2 loops.

3 double crochet cluster (*3dcl*):

1. Yarn over hook, insert hook in indicated stitch/space, yarn over, pull through, yarn over, pull through 2 loops, leave the stitch unfinished. (*2 loops on hook*)
2. Yarn over, insert hook in same indicated stitch/space, yarn over, pull through, yarn over, pull through 2 loops, leave the stitch unfinished. (*3 loops on hook*)
3. Yarn over, insert hook in same indicated stitch/space, yarn over, pull, through, yarn over, pull through 2 loops, yarn over and pull through all 4 loops.

Picot stitch (*picot st*):

Chain 3, slip stitch back into first chain.

Popcorn stitch (*pop st*):

Work 5 double crochet stitches in the same stitch. Drop the loop from your hook and insert your hook from front to back under the top 2 loops of the first double crochet of the group. Grab the dropped loop with your hook and pull it through the stitch, chain 1 to close. (*chain 1 doesn't count as a stitch*)

Puff stitch (*puff st*):

1. Yarn over hook, insert hook in indicated stitch, pull up a long loop through that stitch. (*3 loops on hook*)
2. *Yarn over hook again, insert hook into the same stitch, pull up a loop (*same height as the previous one*)* x 3. You should have 9 loops on your hook.
3. Yarn over and pull through 8 loops. (*2 loops remain on your hook*)
4. Yarn over and pull through both remaining loops.

(This way, you will only have 1 loop on top of the puff stitches, instead of 2)
