## PATTERN INFORMATION

The Candy Stripes Burp Cloth is worked flat and features a two-color skinny striped Stockinette Stitch pattern. A row of petite bobbles is worked on Row 1 along the cast-on edge. The bobbles are a little less than 2.5 cm / 1" apart and are knit in the lighter of the two colors. The stripes are only one stitch wide and the right and left edges of the burp cloth have a single stitch Garter Stitch edge.

This pattern shows the burp cloth in two different color combinations. However, there is enough yarn yardage in one color combination to make two matching burp cloths.

This pattern complements the Candy Stripes Blanket pattern. Note that the gauge and needle size are different from what is recommended on the yarn.

## INFO AND TIPS

### Stockinette Stitch

Row 1 (RS): Knit.

Row 2 (WS): Purl.

### Garter Stitch

All Rows: Knit.

## Tips

1. Be sure to swatch with the chosen yarn for the project. Cotton yarn has a tendency to grow when wet and not spring back into shape like wool. Block the swatch the way you intend to wash the burp cloth.
2. When blocking, take the time to plump up the bobbles and pin in place on the blocking mat. Bobbles tend to flatten when wet and need to be reshaped when drying.
3. Optional: Place a removable stitch marker on a stitch of every tenth row completed. This will make keeping track of the rows and counting them much easier.

## Burp Cloth

With A, CO 65 sts using the long-tail cast-on method or preferred method of stretchy cast-on.

Row 1 (RS): KA, kB, \*MBA, (kB, kA,) twice, kB, rep from \* to last 3 sts, MBA, kB, kA.

Row 2 (WS): KA, (pB, pA) rep to last 2 sts, pB, kA.

Row 3: KA, (kB, kA) rep to end.

Rep Rows 2-3 fifty times or until piece measures 40 cm / 16".

Rep Row 2 one time.

On the RS, with A, BO knitwise.

## Finishing

Weave in all loose ends.

Wet block to measurements.

## Enjoy!
